Dear Geoff:

We promptly made further inquiries in response to your email of yesterday. As of the moment, we do not have any further information concerning the availability of the MMJ witnesses that Defendants have an interest in deposing. If you have further information at your end, such as specific dates of availability of the facilities in Osaka, providing us with this information would help expedite matters. We will contact you when we learn more.

Notwithstanding the above, we are available if you still wish to speak at 10:30 am.

Further to our letter of Friday, please let us know when you are available to complete our discussions on Rule 26(f) matters.

Sincerely,

Louis

Louis,

Thank you for your letter. Please let us know whether you are available to discuss the depositions of the MMJ employees on Monday at 10:30 a.m. You may not have realized by the time that you sent your letter, we had already served MMJ and that they are now a party to this action.

Regarding the protective order, we will have that back to you by Tuesday.

Regarding document production, as I said during our conversation, we will do our best to begin producing documents by the end of this coming week.

We look forward to speaking with you Monday morning.

Geoff
